

GRAS OP0024

Kit for Frequency Calibration of Flush-mount Microphone Sets

Introduction

For frequency calibration of GRAS flush-mount microphone sets, you will in addition to a GRAS 14AA Electrostatic Actuator Amplifier need an Electrostatic Actuator, an Actuator Calibration Holder and an adapter for each microphone size. This kit contains these additional items.i.e. actuator, holder and adapters for 1/8" and 1/4" sizes. For 1/2" no adapter is used.

Performance & Warranty

GRAS accessories are made of stainless steel, alloys and high-quality composites. These items are covered by a 2 year warranty respecting their intended use. On consumables like batteries, cables and windscreens we offer a 6 month warranty.

Included items

RA0285	Electrostatic Actuator for Flush-mount Microphone Sets
RA0242	Actuator Calibration Adapter for 1/4" Flush-mount Microphone Sets
RA0279	Actuator Calibration Adapter for 1/8" Flush-mount Microphone Sets
RA0289	Actuator Calibration Holder for Flush-mount Microphone Sets

Note: For 1/2", no adapter is used.

GRAS Sound & Vibration reserves the right to change specifications and accessories without notice.

About GRAS Sound & Vibration

GRAS is a worldwide leader in the sound and vibration industry. We develop and manufacture state-of-the-art measurement microphones and related equipment for industries where acoustic measuring accuracy and repeatability are of the utmost importance. This includes applications and solutions for customers within the fields of aerospace, automotive, audiology, consumer electronics and other highly demanding industries. GRAS microphones are designed to live up to the high quality, durability and accuracy that our customers have come to expect, trust and require. GRAS Sound & Vibration is represented through subsidiaries and distributors in more than 40 countries and is part of Axiometrix Solutions, a leading test solutions provider comprised of globally recognized measurement brands.
