GRAS AL0008

1/2" Microphone Holder, POM

Material: Black POM

The AL0008 is an adapter for mounting 1/2" preamplifiers with microphones on tripods with a standard 1/4" W thread.

Introduction

The GRAS AL0008 is an adapter for mounting a microphone set (microphone/preamplifier) on tripods having a standard 1/4" UNC-20 male thread. The adapter clamps on 1/2" diameter preamplifier. For minimum acoustic influence, clamp as close to the output as possible.

Alternatives

The GRAS AL0012 is a stainless steel microphone holder for 1/2" microphone sets. Another alternative is the microphone holder GRAS RA0093 which is similar to AL0012 regarding material and usage, but is provided with possibility to adjust the microphone angle between 0 and 180 degrees in 45 degree steps. If total flexibility regarding the angle is required, then consider the GRAS AL0003 which includes a swivel head GRAS AL0005. Notice that the swivel head can be purchased separatelly and can be be inserted between any GRAS microphone holder and a GRAS AL0004 or AL0006 Tripod.

Quality & Warranty

GRAS accessories are made of stainless steel, alloys and high-quality composites. These items are covered by a 2 year warranty respecting their intended use.

On consumables like batteries, cables and windscreen we offer a 6 month warranty.

About GRAS Sound & Vibration

GRAS is a worldwide leader in the sound and vibration industry. We develop and manufacture state-of-the-art measurement microphones and related equipment for industries where acoustic measuring accuracy and repeatability are of the utmost importance. This includes applications and solutions for customers within the fields of aerospace, automotive, audiology, consumer electronics and other highly demanding industries. GRAS microphones are designed to live up to the high quality, durability and accuracy that our customers have come to expect, trust and require.

GRAS Sound & Vibration is represented through subsidiaries and distributors in more than 40 countries and is part of Axiometrix Solutions, a leading test solutions provider comprised of globally recognized measurement brands. Read more at www.grasacoustics.com
